

## Get rewarded with the Integrate NEC program

Integrate NEC rewards resellers who successfully position NEC integration products into their customers' installations. The Integrate NEC program enables resellers to receive aggressive discounts/rebates on NEC large-screen LCD and plasma displays and installation projectors. Each project you submit is registered and protected under the Integrate NEC program.

### Qualifications

To participate in the program, resellers must:

- Register opportunities/products on NEC Partner Net ([www.necdisplay.com/partners](http://www.necdisplay.com/partners))
